

Pricing Notice: Change in frequency of Pakistan imported scrap price assessment

In the light of feedback received on refining its global ferrous scrap coverage, SteelMint has decided to increase the frequency of Pakistan's imported scrap prices. Earlier, the price assessment of Melting scrap, CNF Qasim, Pakistan was done on weekly basis every Tuesday at 18:30 IST.

The new schedule will see the prices being updated bi-weekly at 18:30 IST on Tuesdays and Thursdays. Hence the assessment will be made bi-weekly instead of weekly.
