

PRICING NOTICE: **Change in frequency of Indian structure steel price assessments**

- ✓ SteelMint has planned to change the frequency of price assessments of India's domestic structure steel prices. Earlier, the price assessment of structural steel (angle, channel & beam) were done at 13:30 IST and again at 17:00 IST for few key markets like – Raipur and Mumbai.
- ✓ The new schedule will see the prices being updated once daily at 13:30 IST. Hence, the price assessments will be made once daily instead of twice in a day.
- ✓ The change in frequency of price assessments has been made observing the market trends and less fluctuation in prices towards evening trading sessions.
