

Formerly SteelMint / CoalMint

Revised Specifications for BigMint's Ferro Molybdenum (FeMo60%) Assessment:

Product Name: Ferro Molybdenum (FeMo60%)

Location: Ex-Works India

Quality:

Mo: 60% min

Fe: Balance

P: 0.06% max

S: 0.08% max

C: 0.10% max

Si: 1.50% max

Al: 0.50% max

Physical Composition: 10-100 mm

Quantity: Minimum 0.5 MT

Currency: INR (Indian Rupee)

Delivery Terms: Ex-Plant

Payment Terms: Advance

Unit of Measurement: Tonnes (t)

Delivery Period: Immediate

Taxes: Excluding GST

Assessment Frequency: Biweekly

Publication Day/Time: Wednesday & Friday at 10:30 IST

Remarks: Prices are in INR/t on a 60% pro rata basis

Rationale for Change: This update responds to feedback indicating that Ferro Molybdenum producers are spread across various regions in India like Nagpur, Gujarat, Hyderabad making a single location assessment less representative of market conditions, since freight component is relatively negligible to actual price.
