

Pricing Notice: BigMint Enhances Manganese Ore Coverage with New Bellary-Karnataka Price Assessment

We are excited to announce that BigMint is broadening its portfolio of Indian manganese ore price assessments. In addition to our established evaluations of MOIL and Odisha, we will now incorporate manganese ore price assessments for Bellary-Karnataka.

This expansion reflects our continuous dedication to delivering comprehensive and precise market insights, addressing the varied needs of our stakeholders in the manganese ore sector. Karnataka contributes around 0.36 mnt to India's total manganese ore production of around 3.38 mnt, further enhancing market transparency.

Assessment details:

- Size: 40-100 mm
- Chemical Composition: Mn: 30-32%
- Delivery Terms: Ex- mines Bellary (Inclusive of royalty, DMF & NMET, excluding GST)
- Publication day/time: As per the auction date
- Currency: INR/t

BigMint will continue to monitor changes in the domestic markets and will keep updating its methodology and assessments. To provide feedback on this price or if you would like to contribute by becoming a data partner, please contact – support@bigmint.co
