Pricing Notice: BigMint enhances manganese ore coverage with new Odisha price assessments

We are pleased to announce that BigMint is expanding its current portfolio of Indian manganese ore price assessments. In addition to our existing assessments of MOIL, we will now be including manganese ore price assessments for Odisha. This expansion is part of our ongoing commitment to providing comprehensive and accurate market insights, catering to the diverse needs of our stakeholders in the manganese ore industry.

According to BigMint research, the present yearly output of manganese ore in India is around 3.38 mnt. The major producing states include Madhya Pradesh (1.03mnt), Maharashtra (1.03 mnt), Odisha (0.65 mnt). The Key miners in the Indian market are MOIL, TATA Steel, SMIORE, ML Rungta.
